GO!

This afternoon the Varsity will meet the heavy Syracuse aggregation in the Stadium. That it will be a hard fought contest is evident when one brings to mind the last half of the 1907 game when Syracuse was unable to go thru our line for gains. It was a heroic struggle nor did the score of 22 to 0 show the courage and splendid fighting qualities of the team. We expect to see another such game this afternoon. Victory is not certain, but we can fight and fight hard.

Last year the cheering was a feature of the Syracuse game. The little band of Hamilton rooters outyelled the mass of Orange supporters. Another such exhibition of courage and spirit is absolutely necessary if we are to keep our already established reputation of being good losers. To that end every man in College who can possibly go to the game must consider it a duty. It is possible to leave Clinton on the 12:30 car, catching the 1:05 limited from the West Shore crossing, and still be in time for the game at 3 P. M. The fare to Syracuse and return is only $1.50.

The probable line-up follows:

HAMILTON	SYRACUSE
Bernard	Burton or Larkin
Right End	
Drummond	Horr, (Capt)
Right Tackle	
Wisehart	Waugh
Right Guard	
Thomas, Capt.	Hartman or VanArnam

Leavenworth	Reynolds

U. F. A. vs. HAMILTON

The Varsity opened her Football season Wednesday afternoon with Utica Free Academy. Hamilton won, 16-0. The score should have been larger, and, in fact, probably would have been, if the regular line-up had played thruout the game. The team fulfilled the expectations of all who witnessed the game. With a little more training and practice it should develop into a fast eleven. The line seemed to hold very well. The veterans, Thomas, '09, and Glover, '10, played their usual strong and steady game. Wisehart, '11, and Baldwin, '10, also showed up well. Drummond, '12, is a strong man. He shows both knowledge of the game and ability to play it. His weight will also help out the somewhat light line. Wheeler, '10, and Clark, '12, replaced Baldwin and Wisehart in the second half. Leavenworth, '10 is a good, smashing end. He broke up interference in good shape. Bernard, '12, on the other end, played well for a new man, and should develop. C. E. Leavenworth, '10 and Martin, '11 played these positions in the last half. Welch, '09, Getman, '11, Bell, '12 and Harper, '10 started the game in the back-field. They were afterward replaced by the second set of backs, Mitchell, '11, Colson, '11, Marriott, '09 and McGovern, '12. All played a fast and steady game. McGovern was a little slow in getting off his plays, but followed the ball in fine shape. For Utica, Supple played a remarkable game at end. Kingsley and Ruth also showed up well.

Capt. Thomas won the toss, and defended the north goal. Drummond kicked to Davis, who advanced the ball 10 yards. On the first play, Utica lost the ball on a fumble on her forty yard line. Welch made twenty yards around the end and Bell five. Bernard got away on a forward pass for

a touchdown. Drummond kicked the goal. Score, Hamilton 6, Utica 0.

Ruth kicked to Harper who advanced 15 yards. Welch went thru the line for five more. Hamilton lost the ball on a fumble, but the Academy team was obliged to punt out of danger. After steady gains around the end and thru the line, Leavenworth crossed the goal line on a trick play. Drummond failed to make the goal. Score, Hamilton 11, Utica 0.

Hamilton kicked to U. F. A. Their forward pass failing, they were obliged to punt. Getman went thru the line for 5 yards, Bell, around short end for five more. Hamilton off-side, penalized 15 yards. Drummond punted. Ruth returned the ball. Welch went around the end for five yards. Bell failed to gain. Leavenworth made 4 yards. Bell failed to gain. Time was called.

In the second half, Utica kicked to Hamilton. Harper advanced, but on the first play the ball was fumbled. Utica was held for downs. Marriott failed to gain, and Hamilton punted to Utica. The latter, however, soon lost the ball on a fumble. The ball was carried down the field. Drummond tried a drop kick but failed. Hamilton, however, recovered the ball. Colson went thru the line for 4 yards and Marriott made a touchdown on an end run. Drummond failed to kick the goal. Score, Hamilton 16, Utica 0.

At this time Utica began a series of long gains on the forward pass. It worked perfectly and seemed to fool Hamilton ends. Supple got away on one and crossed the line. The touchdown was not allowed, owing to the pass having violated the rules.

Hamilton then recovered the ball. Mitchell went around the end for five yards, Colson hit the line for three, and Marriott circled the end for three more. Time was called. Final score, Hamilton 16, Utica 0. The line-up:

HAMILTON		U. F. A.
Bernard, (Martin)	Right End	Supple
Drummond	Right Tackle	Kleeman
Glover	Right Guard	C. Chapman
Thomas, (Capt.)	Centre	L. Chapman
Wisehart, (Wheeler)	Left Guard	Weaver
Baldwin, (Clark)	Left Tackle	Sherry
Leavenworth	Left End	Schram
Harper, (McGovern)	Quarter Back	Davis
Welch, (Mitchell)	Right Half Back	Kingsley
Bell, (Marriott)	Left Half Back	Augerty
Getman, (Colson)	Full Back	Ruth

Referee—Mr. Evans, Williams, '93. Umpire—Mr. McGinty. Field Judge—Sicard, '06. Head Linesman—Kuolt, '07. Time of halves—15 minutes.

TODAY HAMILTON meets Syracuse in Football. The game will be hard, tho the earliness of the date will make it less so than last year. Even then, in mid-season, outweighed twenty pounds to the man and with Syracuse at the summit of trim and skill, Hamilton, at the kick-off of the second half, forced the ball into Syracuse territory and by dint of just plain grit kept it there thruout the entire twenty minutes. We can do even better than that today—yes, victory is not impossible. Our team is way ahead of schedule as far as team-work goes and it is heavier than last year. Syracuse has size running to fatness and it is a long run between obesity and condition—longer than two weeks.

Everyone who attended the game last year will attend this. It is just a little too much to miss. Be there—3 P. M.

THE PLAN has long been agitated, but with futility—the plan of getting the entire College together at dinner in Commons Hall. At last, however, the concensus of College opinion has a definiteness in this matter; the result will occur on October 9th at 6 P. M. This will be on Friday, the night before the Rochester Football game. Last year we were beaten by them for the first time in history; this year we must chase them all over Steuben Field and this is one way to help do it. The dinner will be unpretentious and informal. Speeches will be tabooed. Yells and songs will make up for what the feast may lack—just a rousing hour or so to electrify every son of us with the thread-bare but vibrant "Hamilton Spirit"—the kind that wins. The fee will be only a quarter; the seating will be by classes, otherwise indiscriminate. Shall we arrange for over 200?

THE "LIT"

The "Lit" is to be out on the fifteenth of each month, this year, with the idea of avoiding the various vacations which conflict with the former arrangement.

The serial story, "Even As You and I," opens with the October issue and will be continued by its various authors until Spring. A number of short stories, essays and dialogues are already in hand and the outlook is of good promise. In addition, the most satisfactory oration of the month will be selected by the Board with an eye to preserving our best work in that department and giving the Alumni some idea of what we are doing.

It is quite unnecessary to point out that the "Lit" can be amusing, valuable and fearless only in proportion to the interest with which the College receives it: it can do good work only when it is well supported. We urge every one who can write to throw in his offerings regularly. They won't always be printed, but they will stand to his credit at the time of the May elections when the three lower classes must furnish the successors to the six graduating members of the Board.

The "Lit" very much hopes that it will have the College with it this year.

Y. M. C. A. RECEPTION

In Silliman Hall last Wednesday evening occurred the annual reception given by the Young Men's Christian Association to the entering class. As formerly, the purpose of the reception was purely social with the idea of affording the Freshmen an opportunity of meeting the College body. To avoid the embarrassment of forgetting names, each man pinned to his coat a slip of paper bearing his name and class.

Spencer, '09 delivered a brief address of welcome and urged the new men to affiliate themselves with the Association. He then called upon Prof. Henry White who responded at some length.

Capt. Thomas of the Football team was optimistic in his remarks concerning the season. He encouraged everyone to come out for the team and congratulated the Freshmen on their good showing on the field.

A. F. Osborn, '09 spoke of the work of the College publications. He explained the competitive system for places on the "LIFE" Board and strongly advised the Freshmen to enter the race.

President Stryker favored the meeting with a short talk in which he complimented the Christian Association for the good it was accomplishing in College. Dr. Stryker was followed by Prof. Brown, after whom Prof. Lewis was introduced.

Prof. Ward furnished conclusive evidence that he had been busy during the summer and as a result of his work was ready with several stories of the latest model.

Dr. Saunders was the last speaker and his remarks were roundly applauded.

Ice-cream and cake were served as refreshments.

1910 HAMILTONIAN

At the close of last Spring term the 1910 Hamiltonian Board elected officers as follows: Editor-in-Chief, Harry E. Dounce; Business Manager, J. Miller Cross; Art Editor, Irwin A.

Hall; Literary Editors, Starr H. Lloyd, Jerome W. McNair; Advertising Managers, A. L. Evans, Charles F. Stube, Howard S. Brasted.

A meeting of the Board, held on Sunday evening last, arranged the division of work among the various departments. The general plan of the book is completed, and the bulk of material will be in the hands of the printer by the end of the current term.

A number of novel features will characterize the book, of which the editors have already divulged the following: The drawings are to be, without exception, by "home talent." The literary department will be twofold, embracing, first, a collection of specimen work from the best pens in College, and, second, the usual potpourri "in lighter vein," which ambitiously hopes to surpass all previous like attempts at merry-making. The Junior personals, we are told, will be neither diluted with gruel nor tinctured with assafoetida. In the mere form of the book, a new departure is promised, which is expected by the editors to solve a number of problems in the matter of cuts, arrangement, etc.

Contributive co-operation is urgently solicited from the entire College. The production of a creditable College year-book should be a point of honor with every Hamilton man. Let each, according to his talent, submit a scribble, a drawing, a scurf, or the name of a possible advertiser. We expect a great deal from the energy and ingenuity of the 1910 Hamiltonian Board, but without the support of the College, a board's best efforts are fruitless.

COLLEGE ACTIVITIES!

That was a bully row which took place in front of the Chapel last Tuesday, and afforded more satisfaction to the lover of a good scrap than any inter-class conflict that has occurred since the opening of College.

The Sophs took advantage of a good opportunity as the Freshmen came straggling up to the Gym, and compelled several men to disrobe, much to their humiliation and embarrassment, but they were soon checked from such proceedings by several alert Freshmen who came to the assistance of their brothers in trouble. Then and there occurred a good rough-and-tumble, and the Freshmen did themselves proud. Some of the Sophs took free rides in mid-air at the hands of the stalwart Freshmen and one husky fellow was seen being borne away toward the plunge by several plucky Freshmen of diminutive size. Those who were not satisfied with a drumming came back for a churning. After a few minutes the row was called off by the upper-classmen who had rushed up in the meantime.

Monday noon the Sophomores elected the following officers: President, Ralph B. Colson; vice-president, Emory H. Jones; secretary, Claude E. Anibal; treasurer, Robert A. Getman.

THE MUSICAL CLUBS

Present indications point to musical clubs, this year, that will equal, if not eclipse, any that Hamilton has yet put forth. Tho the ranks of these organizations were somewhat depleted last June and tho there has been a current belief that it would be well nigh impossible to fill some of the vacant places, it is safe to assert that the new men, of whom several have excellent voices, will rise to the occasion and prove themselves worthy successors. The interest already shown in this branch of our College activities is quite unusual, it being worthy of note that the majority of the new men have been in College a year or two. The clubs are becoming more and more a coveted honor and are rapidly nearing the day when they will be placed on a par with our athletics. It thus behooves any who have musical ability to try not only to obtain a place on the clubs, but, by faithfulness and efficiency, to maintain it.

The Glee Club, while following, in the main, the ideals set by its predecessors, will not be as highly characterized by horse play and near-vaudeville stunts, nor will the program be classic. It is intended to offer an entertainment at once refined and snappy—a happy mean—abounding in fun and yet free from the extreme. A new tutti-fruitti and a new campus medley have been arranged by Stone, '10, who is expected to make "Bill" Purdy look well to his laurels. There will also be one more full Glee Club number than there was last year. Practices will probably be held three times a week, commencing Wednesday, at an hour to be announced.

The Instrumental Club will, in all probability, include only mandolins and guitars, tho if there are any men who play the banjo, Leavenworth, '09, will be glad to hear them. A number of men have handed in their names for the club. These will be given trials as soon as possible and practices will begin immediately.

As a result of the Glee Club trials, held this week, the following men will, for the present, compose the club:

First Tenor—Hastings, '10; Sidle, '11; A. Osborn, '09; Figgles, '09; Alvord, '12; Johnson, '12.

Second Tenor—Rudd, Smyth, '9; Cross, Harper, Titus, '10; Gouge, '11.

First Bass—Sarles, '10; Rifenbark, '09; Judson, '10; Peters, '11; O'Brian, '11; McNair, '11.

Second Bass—P. M. Allen, '11; C. E. Leavenworth, '09; L. E. Leavenworth, '10; Spencer, '09; J. Hall, '10; Sherwin, '10; Dounce, '10.
